

# Fullarton Market Terms and Condition

## Bookings:

- **Stall Size Compliance:**  
All stallholders must setup within the allotted 3x3 site, and marquees must limit any overhang into adjoining stalls.
- **Caravans and vehicles:**  
All sites that wish to include a trailer or vehicle as part of their stall site must speak with the market organiser before booking. This includes food trucks, car boot style stalls.
- **Payment:**  
All bookings and payments for the Fullarton Market are received and processed through the official Fullarton Market website only. With the exception of permanent bookings which are by arrangement with the market organiser.
- **Bookings and stalls sites:**  
All stall sites and configurations are at the discretion of the market organiser and alterations to site, location and market stall placings can change where required.
- **Communication:**  
All communications are to be undertaken between the proprietor and stallholder via email in the first instance and then via phone communication if required by the coordinator.
- **Postponement & Cancellation:**  
If your booking is postponed for any reason outside the market coordinators control, your booking will be automatically transferred to the next market that goes ahead.
- **Booking Allocations:**  
The Fullarton Market has a set number of stall sites available per market via our online booking form. Once this allotment is exhausted it will not be possible for stall sites to progress beyond the booking page and complete the form. PLEASE BE AWARE THAT NO SITE IS ACCEPTED WITHOUT THE STALL BEING PAID FOR.
- **Refusal of Site**  
If it is deemed that your stall site or business is unsafe or does not fit with the Fullarton Markets ethos, objectives or goals. The Fullarton Market reserves the right to refuse a site without disclosure. Sites will also not be allowed if they offer a standard BBQ comprising of a sausage sizzle, or their stall actively sells ready to drink coffee style beverages. (This is set out as part of the booking process)

## REGULATION AND COMPLIANCE:

- **Food Safety:**  
All stalls looking to offer, sell, display or offer sample food items or consumables that fall under the category of food, must have a current and dated food business

number and submit relevant paperwork when booking a site. If a site does not have the required food business number in place by the event date, then their site is void for customer safety reasons.

- **Food Handling:**

All stalls looking to offer, sell, display or giveaway food items or consumables that fall under the category of food must show good health, safe food handling practices and have a designated hand washing station and utensils constantly monitor all temperatures. There is also a requirement during COVID-19 that hand sanitiser and other extra cleaning measures are followed (As set out in the relevant council's safety guidelines)

- **Insurance and Liability:**

Stallholders are to submit current and compliant public liability insurance for their business or stall setup, a \$10.00 fee will be incurred for the use of the market Public Liability Insurance if this is not the case. If required stalls must present their Public Liability to the Fullarton Market with application and must note if they do not have insurance otherwise.

- **No Product Liability:**

The Fullarton Market in no way covers Product Liability for any stalls or part thereof.

- **Stallholder Setup and Pack up Safety:**

The Fullarton Market and its associated entities and associated persons are in no way liable or at fault for any safety, movement, coordination, setup, dismantling or part of any individual stall or stallholder's property or deemed property. Stallholders are required to conduct themselves in a safe manor throughout the event and during setup and pack up.

- **Power and Equipment Safety**

All stalls and stallholders who require power, cooking facilities and any form of electrical, moving, stationary, light or heavy equipment outside of the Fullarton Markets standard stall setup (Single table and 3x3 Tent) to run their stalls, must have the correct safety procedures and handling in place. The stallholder holds innocent the Fullarton Market and its associated entities and associated persons from any liability associated with these items and their function and use.

- **Power Cords**

All power cords are the responsibility of their said owners and are required to be tested and tagged when used as part of the Fullarton Market. All power that is onsite must be approved by the market and installed by market staff.

## **Sites and Stalls**

- **Weights**

All Fullarton Market stalls that carry and use tents are required to have 1 weight per leg at the base of the tent once erect.

- **Pegs**

No pegs are to be used at Fullarton Market at all, including anything that requires insertion into the ground using any form of sharp implement or mechanism. No ground is to be removed or dug up in any way in association with this.

- **Stock and Associated items**

All items sold, displayed or put for sale on any stall site must be safe to use, try or purchase. All stalls hold innocent the Fullarton Market and its associated entities and associated persons from any liability, risk, harm, or damage which comes from or is associated with anything the stall sells, distributes, has on display or actively promotes. Please refer to the ACCC for further details.

- **Handouts and Associated Paraphernalia**

No Solicitation, handing out or distribution of any handouts or paraphernalia is allowed from anywhere but within an associated booked stall site.

- **Vehicles**

No vehicles are permitted on the Fullarton Park lawns on the 4<sup>th</sup> weekend, with the exception of market staff and preapproved sites by the market organisers.

On the second weekend vehicles that are used for the lawn area must travel no faster than 5km per hr with hazard lights on and the driver window down, both windows are referred.

If the lawn is deemed to be unsafe for vehicle access then no vehicles will be allowed on the surface.

- **Unloading and Loading**

Stallholders are required to unload their stalls to their designated site and only commence setup once their vehicles have been moved offsite in accordance with 'Parking'. Stallholders are also to commence packing down sites before moving vehicles to assist with this process.

- **Parking**

When parking their vehicle stallholders are to park in the side streets directly opposite the event and not leave any vehicles parked within the Fullarton Market carpark. This includes fisher street.

Repeat offender may be removed from the market

- **Setup Arrival Cut-off Time**

Stallholders who are accustomed to specific positioning within the market are required to arrive and commence setup no later than 8am. Stallholders who arrive after the cut off time of 8am will not be assured their usual site and may be required to relocate to a different site.
